
Pedagogical Ideas of Borys and Mariya Grinchenko in the context of the New Ukrainian School Development

On December 5, 2018, a scientific session of historical and pedagogical studios on "**Pedagogical Ideas of Borys and Mariya Grinchenko in the context of the New Ukrainian School Development**" was held. The meeting was attended by O. P. Mikhno, Director and scientific staff of the Pedagogical Museum of Ukraine, the faculty of the Department of Pedagogy and Psychology of Pedagogical Institute, scientific and pedagogical employees of the Institute of in-service pedagogical education, students of the specialties "Preschool Education" and "Primary Education".

The purpose of the scientific session is to present results of scientific research on the new interpretation of pedagogical ideas of Borys and Mariya Grinchenko and actualization of them in line with the development of the New Ukrainian School.

During the meeting of the scientific session, the students presented the results of historical and pedagogical research on the multifaceted pedagogical heritage of Borys and Mariya Grinchenko. The participants had the opportunity to get acquainted with the life and family values of the Grinchenkos, progressive views of teachers on the organization of the educational process in schools and the relationship of teachers and pupils, as well as the ideal of family education. Participants of the round table discussion exchanged views on the relevance of pedagogical ideas of Borys and Mariya Grinchenko in the development of New Ukrainian School. All participants got acquainted with the funds of the Pedagogical Museum of Ukraine, revealing little-known pages of creativity of Borys and Mariya Grinchenko.

Moderator of the scientific session: *Ye. Antypin*, Candidate of Pedagogical Sciences, senior lecturer of the Department of Pedagogy and Psychology of the Pedagogical Institute.

We wish all the participants of the meeting to have interesting scientific researches in the field of pedagogy!
