## Team game "Biography of Borys Grinchenko"

**On December 04, 2018** the Scientific society of students, postgraduates, doctoral students and young scientists of Pedagogical Institute organized a team game "Biography of Borys Grinchenko" for first-year students of the specialty "Preschool Education" in the framework of Grinchenko decade.

During the game, participants had the opportunity to expand their knowledge about the life and pedagogical heritage of Borys Grinchenko. Students had a research task to demonstrate their research skills.

The positive atmosphere contributed to the creative solution of these tasks during the team game.

We sincerely thank all the participants of the game and wish them success in the further study of the pedagogical heritage of Borys Grinchenko!

*Moderators of the event: S. P. Palamar, Candidate of Pedagogical Sciences, senior researcher, Vice-director for scientific work of Pedagogical Institute; Ya. V. Matyushynets, head of the Scientific society of Pedagogical Institute, a post-graduate student, lecturer of the Department of Pedagogy and Psychology.*
