
Master-class "Christmas Gifts»

On December 08, 2018 in the framework of the social project "With Kyiv and for Kyiv" a master class "Christmas Gifts" for children of preschool and primary school age was held.

On the eve of the New Year holidays, 3rd-year students of the specialty "Preschool Education" together with children of the neighborhood Rusanivka made figures from paper (origami), which became the basis of the collage "Christmas Tree".

Event moderators: Nataliya Holota, associate professor, and Antonina Karnaukhova, senior lecturer of the Department of Pedagogy and Psychology.
