
"The Lapbook of Professional Success 2»

On November, 17th, 2018 the third training session "**The Lapbook of Professional Success 2»** for preschool teachers and parents took place at Pedagogical Institute. It aimed at finding answers on topical issues of upbringing and development of preschool children: how to make communication with children the most productive area of development; the reasons for bad behavior of a child and its relationship with their needs (by A. Maslow); encouragement and punishment; rules of effective communication with children; practical techniques on emotional education; experience of European colleagues on issues of interaction with the younger generation and much more.

As part of the training session, a variety of interactive activities were conducted: "Palms of Children's Rules", "Cloud of Messages", "Why do I get Scolded?", "Call of Emotions", "Balloon of Emotional Calmness". Participants of the event were excited by the video "Comedies of punishment", "Native executioner. Swedish experience" and others.

Professional portfolio of teachers and parents, who participated in the training, was enlarged by E-presentation on the topic and practice-oriented didactic materials for effective interaction with children.

Moderators: O. V. Kovalenko, associate Professor of Preschool Education, S. H. Kondratyuk, senior lecturer of the Department of Preschool Education, K. A. Brovko, assistant of the Department of Preschool Education.
