
Career Guidance Day at Pedagogical Institute

On November, 27, 2018, Pedagogical Institute hospitably opened its doors for students of University College.

Third-year students of the specialty "Preschool Education" of University College met with teachers and students of Pedagogical Institute. The Student Council has prepared an interesting tour, stories about student life, a quest "The Paths of PI", the flashmob "Student of the New Generation". Teaching staff invited guests to attend training sessions, organizing a kind of "Pedagogical Carousel". To assist future students, a counselling hub "Look into the Future" worked. The meeting ended with a joint photo and agreement on further creative cooperation.
